Questions for Selected Focus Issues

Equity in Public Education Funding

- Should the Illinois General Assembly enact a law committing the State to fund fully public education before all other state programs?

Student Speech Rights Online

- Should students be subject to school punishments—including suspension and expulsion—for posting material on their personal websites that does not violate the First Amendment?

Legal Status for Undocumented High School Students

- Should Congress provide undocumented high school students the opportunity to gain permanent resident status if they qualify to attend college or serve in the armed forces?
