2006 National Teach-In

Class Registration Form

Teacher Agreement

I agree that my students will conduct a teach-in according to the terms in this registration form. If my class receives a mini-grant, they will submit a report on its activities to Youth for Justice as instructed below and write a letter to our U.S. Representative describing our work as part of National Youth Service Day. I understand that these funds can be used to support the student teach-in, to purchase law-related educational resources for our class or school, or as a donation to a school club or charity. I agree that neither these funds nor this report will be used to promote explicit political policies, parties, or activities, in accord with U.S. law.

Signature _____

Date _____

Principal Endorsement

I agree to enable these students in conducting a teach-in as part of their coursework on or before National Youth Service Day according to the terms above. I also understand that, if this class receives a \$200 mini-grant, they will report their activities as stipulated above.
